Last name: _____ First name: _____

Degree(s): _____

Organization: _____

Address: _____

City: _____ State/Province: _____

Country: _____ Postal/Zip code: _____

E-mail: _____ Phone: _____

Consider my abstract for:

- Poster presentation only
- Poster presentation, plus possible invitation to present orally according to score

I am applying for a travel grant: Yes No

My presentation will mention a commercial product: Yes No

- If yes, the presenter must complete a conflict of interest disclosure form available here:
<https://bc.lung.ca/sites/default/files/2018%20COI%20disclosure%20form.pdf>

Use of non-stigmatizing language:

The Union-NAR is committed to promoting patient-centered, non-stigmatizing language in conference abstracts and presentations. We therefore request that you follow the guidance laid out in the Stop TB Partnership's publication: [Suggested Language and Usage for Tuberculosis \(TB\) Care, Communications and Publications](#).

OPTIONAL MENTORING for Abstract Submitters New to TB Care and Prevention

All junior conference attendees (those with < 5 years' experience) can choose to be matched with a senior mentor who will meet with you at the conference to offer professional guidance. Membership to The Union-NAR is mandatory for participation in the mentoring program. Please contact Menn Biagtan at biagtan@bc.lung.ca for more information about the mentoring program.

Maximum 250 words excluding title, headings, authors and affiliations.

Title, authors' names and affiliations (type or paste in box below)

Abstract (type or paste in box below)

Word Count: _____ (exclude headings, authors, affiliations)

Check here if you would like to receive feedback on your abstract with the option to revise and resubmit within 2 weeks. Please note that resubmission of a revised abstract does not guarantee acceptance. **This option is available only to abstract submitters new to TB care and prevention (i.e., those who have been in the field < 5 years).**
