7. Kelly Musoke
8. Elizabeth Rea, MD
9. Anita Khilal, MD
10. Alfred Lardizabal, MD
11. Max Salfinger, MD
12. Kevin Schwartzman, MD
13. David Lewinsohn, MD
14. Neha Shah, MD
15. Anne Fanning, MD
16. Gonzalo Alvarez, MD
17. Nash Dhalla, BSN
18. Linette McElroy, BSN
19. Richard Lester, MD

## CONTINUING EDUCATION CREDITS

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Curry International Tuberculosis Center and The Union—North American Region. The Curry International Tuberculosis Center is accredited by the ACCME to provide continuing medical education for physicians. This conference is approved for **up to 24** continuing education hours.

The Curry International Tuberculosis Center designates this educational activity for a maximum of 24 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Curry International Tuberculosis Center is approved as a provider of continuing education by the California State Board of Registered Nurses, Provider Number CEP 12308. This educational conference is approved for 24 continuing education hours. Board requirements prevent us from offering CE credit to people who arrive more than 15 minutes after the start of the training, or leave the training early. Therefore, partial credit will not be awarded.

Certificates will be available on the Curry International Tuberculosis Center website approximately eight weeks after the training to all participants who requested CME or nursing credits on their applications and who successfully complete the training. Successful completion includes attending the entire training, and completing an online evaluation. To view your certificate you will need to log onto our website, go to the [training page](#) and click on “training history.” NAR will contact all CME recipients 4-months after the training to help us with our long-term evaluation activities.
